The summer she is 16. SALLY dies, ain't we?"

FORD is "farmed out" to CLEM CARSON, an unscrupulous farmer and severe taskmaster, and leaves the orphanage which is the only home she knows from the time she is four. At the farm

she meets DAVID NASH, handsome young student who is working on the Carson farm for the summer, preparing himself to inherit his grandfather's acres which adjoin the Carson place.

David likes the little orphan and plainly shows he prefers her to PEARL, Carson's daughter. This angers both Pearl and her father. One night when Sally and David are walking together, Pearl suddenly inter-

ing, she tells him she fears Carson is going to take her back to the Home. The next day Sally innocently goes into David's room to see his books on farming. They are startled to see George face appear at the little attic window. David, who is sitting on the floor, looks up at Sally and says, "I'm all right. I'm all right."

David is so infuriated with Carson's insinuating remarks that he strikes him, sending him crashing to the ground. Not knowing whether Carson is dead or not David and Sally run

To Sally it was all like a dream, a fantastic, lovely dream—except that in dreams you are never permitted to eat the feast that your hunger makes so real.

Amateur Hockey Supreme in Western Canada Manitoba Winning Allan Cup

GORDON M'KENZIE HERO OF VARSITY'S GREAT VICTORY

Scores Lone Counter in Second Period—With Defeat of Montreal Victorias Senior and Junior Hockey Titles Come West

OTTAWA, March 29.—The west clinched its challenge for supremacy of the dominion amateur hockey crown when Manitoba University triumphed over the Montreal Victorias 1-0 here last night to earn it and earn it well to keep the Memorial trophy, emblematic of the junior hockey title, in the west for the first time. The west's triumph was a complete one. Monday when they beat the Ottawa Senators and last night's victory over the Victorias made a clean sweep of the senior title. The Allan cup carries with it the all-Canadian senior championship.

Gordon McKenzie, who had just recovered from a back strain suffered in the first contest against the Victorias Saturday, returned to the game last night to lead the host team to the championship. McKenzie was the star of the game, scoring the lone goal in the second period.

The goal that McKenzie scored was a masterpiece of skill and power. He received the puck from a teammate, dribbled it down the center, and then, with a powerful shot, sent it into the net.

McKenzie's goal was the only one of the game. The Victorias, who were the favorites, were unable to score. The game was a hard-fought one, with both teams playing well. The Victorias were defeated 1-0.

Senior Baseball Men To Meet on Friday

The annual meeting of the Edmonton Senior Baseball League will be held in the Sport O'Clock at the Hotel Vancouver on Friday night at 8 o'clock.

Plans for the coming season will be made and election of officers for 1928 will take place. The members of the various teams are looking forward to see of the 1928 season in the league's history.

Champions Will Work Out Against Boys' Team Tonight

Tonight will mark the final practice of the Commercial Grads for their series with the Chicago Browns, which opens on the arena floor Saturday night. The team will spend most of their time on running through their signals, but they will also make use of the boys' team for two or three periods to acclimate themselves to the large playing surface.

Jumping from a small floor such as that at the arena is no easy task, and the boys' team will be of great help to the Grads. The team will also make use of the boys' team for two or three periods to acclimate themselves to the large playing surface.

They Are Confident

The Grads have not played a single game against outside teams since the series with the Chicago Browns in December, but they have kept relatively tight practice and were probably never in better condition than their boys' team. The team will also make use of the boys' team for two or three periods to acclimate themselves to the large playing surface.

And That's That

Vic Ponce de Leon (pictured above), an American who recently won the Dixie league championship at the Dixie Islands Club in Florida, will play the Grads.
